CONFERENCES

British Human Genetics Conference.—The annual British Human Genetics Conference will be held September 13–15, 2004, at the University of York in York, England. The conference will include symposia, workshops, the Carter Lecture (Professor Dian Donnai, Dysmorphology and Development: From Patient to Pathway), and a debate (topic: This house believes that ethics committees facilitate genetic research). Plenary and concurrent ses-

1. Announcements are published free of charge for members of The American Society of Human Genetics (ASHG). Please mail announcements to The American Journal of Human Genetics, Department of Human Genetics, Emory University School of Medicine, 615 Michael Street, Room 301, Atlanta, GA 30322-3050; fax them to (404) 712-9984; or send via E-mail to ajhg@emory.edu. Submission must be received *at least 7 weeks* before the month of issue in which publication is requested. They must be double spaced with a 1½-inch margin on all sides. The maximum length is *250 words*, excluding the address for correspondence. Please include a cover letter indicating the name of the sponsoring ASHG member.

sions will be from submitted papers. Further information is available on the British Society for Human Genetics Web site (<http://www.bshg.org.uk>) or from the Conference Office, British Society for Human Genetics, Clinical Genetics Unit, Birmingham Women's Hospital, Edgbaston, Birmingham, B15 2TG, United Kingdom; telephone/fax: 0121 627 2634; e-mail: york2004@bshg.org.uk
